

STORYSONGS FLORIDA SONG Spring 2016

Florida is the love of my life, my oasis in the sun—
Sunshine, beaches, in this land of sand, There's something for everyone.
With new and ancient treasures, and so much to do and see;
There's joy here beyond measure From St. Augustine to Cedar Key.

The bluest skies are Florida's, the brightest sunshine too—
The most spectacular sunsets , Glowing red and orange and blue,
Then moonlight's dancing beams come out to play upon the waves,
Joining stars shining on the Bay, in a spark-l-ing ballet.

BRIDGE

If it's city lights you're looking for; You'll find plenty of that too;
But the country roads through farms and fields bring serenity to you;
Orchestras of great renown flourish in our bigger towns; Their music blends with songbird tunes
And the ocean's rhythmic sounds.

Walking in the forest among majestic pines; Their refreshing fragrance makes the air so crisp
and fine;

You might come upon a spring with water crystal clear;

Where multitudes of manatees Winter every year.

Flowers of stunning profusion have blessed this sacred land.

And here, instead of shoveling snow, you can have fun shoveling sand (at the beach)!

Yes, Florida offers the most from shining coast to shining coast –

We welcome you to Florida, your home away from home; Come visit us in Florida...
This land's our lovely home!
